From a rum-infused local dessert cocktail to a 6-course festive feast at QĪN Restaurant & Bar, and a leather crafting workshop, ‘The Clan Commemorates: Festive Kinship’ package offers plenty of opportunities to create shared memories with your loved ones.

The festive season is always a great time to get together with kin and kith. Make this year extra special by celebrating with The Clan Commemorates: Festive Kinship package, a curation of exciting new experiences for the year end festivities right through to Chinese New Year.

Available for booking from 18 November 2022 to 29 January 2023, the package includes a leather crafting workshop by Crafune, a sumptuous 6-course Festive Feast at QĪN Restaurant & Bar, a specially curated cocktail inspired by a local dessert, and a two-night stay in the hotel’s MASTER Series Premier Room or Grand Premier Room among other privileges.

The launch of this new stay package reinforces the hotel's continued commitment to offering unrivalled hospitality and authentic stay experiences that allow guests to form a unique connection with Singapore. A notable highlight of the new stay package is The Clan Tonic, an exclusive festive cocktail inspired by the popular local dessert, Cheng Tng, which was first brought to the sunny shores by Teochew immigrants.

A modern interpretation of Cheng Tng, the refreshing cocktail infuses rum and high mountain Oolong tea with notes of goji, longan and red date, perfectly tied together with a citrusy twist of lemon and a velvety hint of white fungus. The cocktail is further elevated with dried garnishes including red date, longan and orange peel – ingredients typically found in a bowl of Cheng Tng. More than just a delicious tippie, The Clan Tonic is sure to add a memorable touch to your festive toast and celebrations.

Enjoy this festive cocktail at QĪN Bar, offered exclusively as part of the Festive Feast when guests book The Clan Commemorates: Festive Kinship package.

What better way to celebrate the festive season with your loved ones than with a hearty feast? Indulge in a 6-course dinner set menu at QĪN Restaurant & Bar, specially curated by Executive Chef James Tay. Each dish on the menu here celebrates the culinary culture of the past with an exemplary twist. Taste reimagined classics such as ‘Chilli Crab Crostini’ and ‘Thunderclap Roti Prata’ in the Festive Feast.

Enjoy three courses of the restaurant’s crowd-favourite starters, followed by a signature dish featuring mushroom broth poured over a delicate foie gras and steamed egg custard. For the entrée, choose from a grilled orange roughy or a hearty premium grain-fed Black Angus striploin. End the dinner on a sweet note with a nutty dessert perfect for the festive season.

This festive season, give your loved ones a handmade gift from the heart. During this hands-on workshop, guests will have the opportunity of crafting a leather cardholder, which is perfect for storing daily cards, business cards and even small dollar notes. Participants can also add a personal touch to their cardholder by debossing or hot-stamping initials, names, words, dates or even phrases.

In the three-hour workshop, participants can look forward to learning basic knowledge of leather, how to saddle stitch, tips on how to clean and care for leather and more.
