The Clan Hotel Singapore is set to officially open on 1 March 2021, making it the first property to debut under The Clan Hotel brand by Far East Hospitality. The hotel is now accepting bookings, offering an opening promotion for stays from 1 March to 31 May.

"There is a sizable domestic demand for new staycation experiences in Singapore as long as international travel remains inaccessible. The modern-day guest is looking for authentic encounters. At the same time, hygiene remains a top priority. The Clan Hotel opens with these in mind. This modern luxury hotel tells a nostalgic story while reflecting on changing times by leveraging technology to adhere to safety and hygiene protocols. This is an opportune time for us to carve a niche and address the market needs as we prepare for recovery," said Mr Arthur Kiong, Chief Executive Officer of Far East Hospitality Management.

Situated at the crossroads of culture and commerce within the Far East Square heritage precinct and Telok Ayer district, The Clan Hotel Singapore has an inventory of 324 rooms across three distinct room categories—Grand Premier, Premier and Deluxe rooms.

“The Clan Hotel Singapore offers carefully curated touchpoints and services that will unveil stories of the vicinity and local culture. It brings to the fore the history of clans around Amoy Street, where our forefathers helped Chinese settlers make Singapore their home,” added Mr Kiong who was personally involved in conceptualising the brand and what it has to offer.

Meeting the needs of modern-day travellers, upon arrival at the hotel, guests are greeted with a tea ceremony at the hotel lobby, where self-check-in kiosks and mobile contactless check-in options are available for those who prefer no-frills, instant access to their rooms.

Each guest of the Master Series rooms will have the option of an in-room check-in experience along with a personalised orientation of the hotel, exclusively arranged for by The Clan Keeper. Master Series room guests are also entitled to an all-day breakfast spread to be enjoyed in-room or at the hotel restaurant, luxurious bath amenities with a selection of nourishing essential oils and aromatic salts for an in-room spa experience, as well as access to personal concierge services provided by The Clan Keepers, including personalised shopping and a local precinct tour, among others.

During their stay, guests will also experience the various touchpoints by The Clan Collective—a programme and network comprising a varied group of local craftsmen, artists and influential figures, who are widely regarded as keepers of culture and heritage in Singapore. Their contributions amplify the stories of community and culture within the grounds of the hotel—from invoking a sense of space through the hotel lobby artwork to outfitting The Clan Keepers; the curation of an all-hawker-fare in-room dining menu; and producing a locally brewed craft beer.

The facilities

Decked with floor-to-ceiling windows overlooking the busy Telok Ayer neighbourhood, guests can unwind at Qin Restaurant and Bar, an all-day dining concept by TungLok Group located on Level 4 and 5 of the hotel.

The cosmopolitan restaurant inspired by Asian cuisine serves up an array of reimagined classics with a modern touch, a nostalgic reminder of one's home. Offerings include Siphon Mushroom Tea, Chilled Crab Salad and 'San Mein'.

Diners can also extend the night with a nightcap at the bar located within the mezzanine floor of the restaurant with a beverage menu featuring a range of cocktails and over 60 wine selections to choose from.

For a more intimate dinner experience featuring a uniquely Singaporean meal, The Clan Daily Special, curated in partnership with local hawkers through The Clan Collective, is exclusively available to guests of the Master Series rooms every day from 6pm to 8pm.

The hotel's Sky Pool and jacuzzi, located at the top floor of the building (Level 30), is fitted with semi-submerged lounge chairs. On the same floor, the Sky Gym is fully equipped with modern equipment, complete with Fitness-on-Demand personal training for guests to book, as well as a traditional *Wing Chun* wooden dummy for a well-rounded workout.

Gym membership options are also available for local residents to experience the hotel's fitness facilities, complimentary room nights and great F&B offerings.

Hotel guests have special access to The Inner Circle Guide, a collection of recommendations across services, dining, nightlife and entertainment options. Guests may flash their room card to identify themselves at partnering merchants.
