It's the month of celebrations, from yuletide feasts to Christmas-themed afternoon teas, holiday markets and gifting. But if you're after a rejuvenating escape and some TLC, there's nothing like a staycation (unless, of course, you're flying off via a VTL). From Christmas ones to themed ones that the kids will adore, here's where to check-in.

For a stay in the heart of the city, there's the new Clan Hotel, which brings festive cheer with its The Clan Celebrates: Kith and Kin package. This will get you a night's stay in the Master Series Grand Premier or Premier Room, with a three-course Festive Feast with two glasses of bubbly at Qin Restaurant and Bar, which specialises in Chinese cuisine with a modern twist.

And of course, what's a party without some booze? To a little more merriment to your stay, the package comes with a limited-edition Celebratory Brew by The 1925 Brewing Co.
