## **The Clan Hotel**

---

As one of Singapore's newest addition to the hospitality scene, The Clan Hotel has certainly already earned a spot at the table with its impeccable service, large rooms and stellar views of the city.

This Christmas, book their The Clan Celebrates: Kith and Kin package and be completely blown away with a one-night stay in the hotel's signature Master series room.

The package comes with a specially curated three-course festive feast for two at Qin Restaurant which includes sumptuous dishes such as Roast Guinea Fowl and Phraya Rum Sticky Date Pudding. Champagne is also on the menu as well as a late checkout on most days so get ready to party here.
