## **STAY | Celebrate kinship and tradition | The Clan Hotel Singapore**

To mark its second anniversary, The Clan Hotel Singapore by Far East Hospitality offers a new 3D2N staycation package (from \$1,158 nett) called “The Clan Turns Two – Double The Celebration Package”, lovingly curated to celebrate kinship and tradition.

Available for bookings from now to May 24, the package includes a Chinese calligraphy workshop, a four-course “Double The Happiness Dinner Menu” at Qin Restaurant & Bar, exclusive anniversary gifts, and a two-night stay in a Master Series Premier Room or Grand Premier Room, among other privileges.

As part of its anniversary celebration, the hotel has partnered Cheng’s @ 27 – a family-run food establishment with a rich history spanning three generations – to offer a formal welcome tea ceremony at the lobby. Upon arrival, guests can look forward to savouring a slice of Pandan Gula Melaka Chiffon Cake alongside a cup of freshly brewed Nanyang Ritual tea.

Enjoy all these precious little offerings and more by booking your stay at [www.theclanhotel.com.sg/en/Deals/The-Clan-Turns-Two](https://www.theclanhotel.com.sg/en/Deals/The-Clan-Turns-Two)
