The Clan Hotel Singapore by Far East Hospitality is celebrating its second anniversary with a new package, 'The Clan Turns Two - Double the Celebration', which offers guests a chance to experience Chinese calligraphy workshops, a four-course dinner menu, exclusive anniversary gifts, and a two-night stay in a MASTER Series Premier Room or Grand Premier Room.

Drawing inspiration from the number two, the anniversary package has been put together to offer guests double the happiness and memories. Guests can look forward to two different appetisers and desserts when they dine at QĪN Restaurant & Bar and bring home delightful memories with two exclusive anniversary gifts conceptualised in collaboration with two local artisans.

As part of its anniversary celebration, the hotel has partnered with Cheng's @ 27 – a family-run food establishment with a rich history spanning three generations - to offer an elevated welcome tea ceremony at the lobby. Upon arrival, guests can look forward to enjoying a slice of Pandan Gula Melaka Chiffon Cake alongside a cup of freshly brewed Nanyang Ritual tea. Cheng's @ 27 strives to preserve tradition and the nostalgic taste of Hainanese bakes through their creations.

The Clan Hotel's Chinese Calligraphy Workshop is held at the hotel's Level 30 Sky Lounge and led by Singapore-based calligrapher Corinna Tai. During the one-hour session, guests will create their own art piece, forming the word "Joy" in traditional writing on white xuan paper and bring home their own unique piece of calligraphy in a wooden glass frame.

Executive chef James Tay of QĪN Restaurant & Bar has put together an exquisite four-course menu featuring a unique twist for the anniversary package. Aptly named "Double the Happiness", the menu offers guests an opportunity to enjoy two appetisers and duo desserts alongside a delectable main course, each executed with precision and finesse. Highlights include the shrimp ravioli served in chicken consommé, and a Kurobuta pork loin served with Hainan-style sweet and sour sauce and homemade potato salad.

The Clan Turns Two package includes a two-night stay in a MASTER Series Premier Room or Grand Premier Room, early check-in from 11am, daily breakfast for two, late check-out till 3pm, and exclusive anniversary gifts such as The Clan Biscotti and The Clan Postcards Set.

The package is available for booking through 24 May 2023, with a stay period from now until 31 May 2023.
